### Practice Area

Your partner in a complex world of regulation and directives

Our team of experienced and renowned lawyers has deep insight into both Danish and EU legal aspects of competition law. We work proactively and purposefully to prevent problems — always grounded in a thorough understanding of your business, regulation, and directives.

We have a strong portfolio of international clients, particularly in the life sciences and medtech sectors. We provide guidance on EU and Danish regulation, covering everything from anti-competitive

agreements and abuse of dominant market positions to parallel imports, state aid rules, and international trade issues. Our experience with these highly regulated and innovative-driven industries means we understand the unique challenges and opportunities companies in these sectors face.

Our experienced specialists stay ahead of the latest trends and rulings in the EU, and we keep our clients updated, ensuring they remain one step ahead.
