About

Description

Torsten is an experienced specialist lawyer and certified insolvency attorney with a strong focus on reconstruction, bankruptcy, creditor arrangements and bank collection.

His expertise lies in restructurings, where he possesses an extensive grasp of the intricate legal procedures and strategic nuances that underpin the revival of businesses and their journey back to financial stability.

Renowned for his meticulous and analytical approach to cases, Torsten is recognized for his ability to deliver clear, effective advice. His commitment to staying at the forefront of insolvency law developments empowers clients to make informed decisions.

Torsten is recognized as a reliable and dedicated insolvency lawyer who works purposefully to achieve positive results for his clients. His vast expertise and experience make him a trusted advisor to companies, individuals and creditors who are facing insolvency-related challenges and want a skilled and experienced legal partner by their side.
