About

Description

Daniel is attorney in our Real Estate team. He advises both companies and individuals on various matters within real estate and construction law.

He has also extensive experience with disputes in courts, arbitration tribunals, and boards.

Daniel advises clients on construction law issues and in relation to real estate transactions. With his training as a mediator, he works to facilitate alternative dispute resolution. Additionally, Daniel's

proficiency extends to board engagements where he contributes as a valued board member in various capacities.
