About

Description

Kim is an experienced attorney and partner in our Banking and Finance team. He advises both Danish and international clients on all aspects of banking and finance law as well as corporate matters.

As a special area of expertise, he is highly experienced in advising companies and financial institutions subject to financial supervision. Kim has in-depth knowledge of the establishment, operation, and regulation of companies in the financial sector.

In addition to advising on capital markets law, including IPOs and secondary offerings, prospectuses, and MiFID. Kim also assists international companies in establishing on the Danish market and the related questions in this regard.

Kim has an impressive track record and significant board experience. He serves on several boards of financial institutions and investment funds.

Together with his team, Kim is one of the most sought-after advisors in Denmark within banking and finance law.
